

Computer Vision: from Recognition to Geometry

# Homework Delay Policy

NTUEE

Spring 2022

# Regulations

- Each student has in total 3 days delay quota.
  - Specifically, we take 12 hr (half day) as one unit.
  - That is, each student has 6 units.
- All four homework assignments share the same 3-day delay.
  - For example, if you delay 1 day in HW1, then you will have 2 day delay quota left for HW2, HW3 and HW4.
- If you have spent all 6 delay units, your late submission will not be accepted.
  - That is, you are required to submit your homework in time to get points.
- If you have questions about the policy, you can ask me by e-mail.
